Speed Post Services

*238. SHRI K.B. KRISHNA MURTHY: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether speed post services recorded largest revenue share in the business mail segment during the year 2001-02;

(b) how many stations are presently covered by the speed post network in the country;

(c) whether air connectivity is the prime requisite for setting up a speed post centre; and

(d) what are the plans to add the industrial towns and commercial/ trading urban areas, which have no air connectivity, to the speed post network?

THE MINISTER OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI ARUN SHOURIE): (a) Speed Post has generated revenue to the tune of Rs. 196.53 crore during the year 2001-2002, which is 49.67% of total revenue of Rs. 395.64 crores generated from premium products of Business Development Directorate.

(b) 140 stations are on the national speed post network and 746 stations are on the State speed post network.

(c) No, Sir. It is one of the factors that helps.

(d) Speed Post is a premium product and is run on commercial considerations. Expansion of this network is an on going process depending on market situation, assessment of the need, anticipated revenue and transport network.

Decline in Foodgrains Stock

*239. SHRIMATI AMBIKA SONI:
